

Para-Sail - Tour Boat 37' 1999 Premium Custom Boat Thresher

The **SEAPORT EXPRESS** is a 37' fiberglass para-sail/tour boat built in 1999 by Premium Custom Boat of Cape Coral, Florida. She is powered by twin Volvo KAD43P diesels with Duo-prop outdrives and is fully equipped for para-sailing. With her removable transom, vessel is also ideally suited for snorkeling and/or

diving. Previously used for lighthouse tours, sunset cruises and private charters.

The **SEAPORT EXPRESS** was taken out of service when her owner was recalled to active duty. She is now hauled out in Charleston, SC. The **SEAPORT EXPRESS** is a multipurpose vessel suitable for cruising, snorkeling, para-sailing or for duty as a shuttle service. She is available as-is, where-is for best offer in the mid \$50K range or for \$63,500 with a current USCG Certificate of Inspection (seating capacity is 27 passengers, reduced to 12 when conducting para-sail ops).
