

# **SECTIONAL BARGE FOR SALE**

**\$175,000**

**(1) Sectional 20' x 60' barge. (2) 10' x 60' sections.**

**The barge was built in March 2017 and placed in the water in April 2017.**

**The barge is still in great shape. The top deck is layered with all lumber to keep the upper deck from damage.**

**The Caterpillar excavator is a 308 E2 CR which has a bucket and Caterpillar Vibrator compact hammer for pile driving.**

**This barge is still working today and will be available for delivery March 1st, 2019.**

**The boat in this picture is not included but can be purchased for an additional \$22,000. The boat has a 2017 Yamaha 250hp 4 stroke & when attached to the barge it pushes and handles like driving a car.**

**The owner will pay to haul the barges out and clean the bottoms for transport. New owners supply transport to their location.**

**The barge is located in lower SC and can be pushed or trucked to your location with ease.**
